

Our Commitment to Accessibility

We are committed to making the Intrepid experience available to all our customers, including those with disabilities, and have designed this Site with accessibility in mind.

Need Assistance or Have Feedback?

If you notice any content, feature or functionality that you believe is not fully accessible to people with disabilities, please email us with the words "Disabled Access" in the subject line and provide a description of the specific feature you feel is not fully accessible or a suggestion for improvement. We can't promise that we'll make the changes you suggest, but we can assure you that we take your input seriously and will consider it as we evaluate ways to accommodate all of our customers and our overall accessibility policies.
